February 8, 2021

Dear BCSSSD Parents/Guardians:

Today, we have 7 staff members in 4 classrooms at BCSSSD with reported positive COVID-19 test results and 4 students in 4 classrooms reported with positive COVID-19 test results. Because of the instances reported above, we have students and staff in different classrooms and buses who are quarantining. All notifications to close contacts is completed. In light of these developments and in consultation with the Burlington County Department of Health and our Board of Education, we have reached the conclusion that we will pivot to all remote learning for the remainder of this week.

As you know, we are closed this Friday, February 12, 2021 and the following Monday, February 15, 2021 for President's Day weekend. The remote-only schedule will be for the next three days with the return to the normal school schedule on Tuesday, February 16, 2021. Based on the required time for quarantine and isolation periods, the transition to remote learning for the entire week will assist the district to reset required quarantine periods. We will also be providing meals for pick up on Tuesday and Thursday this week from 9:00 am to 11:00 am.

We are grateful to our entire school community for the efforts that so many have made to provide an in-person learning experience and appreciate the flexibility of parents given recent weather events and ongoing monitoring of COVID-19 developments. We look forward to resuming our current schedule after the President's Day holiday weekend. Thank you all very much for your continued patience and support. Rest assured that as developments occur, updates will promptly be provided to you. Building level administrators will be in touch with our parents in the coming days.

Sincerely yours,

Dr. Christopher Nagy
Superintendent of Schools
