March 4, 2019 6:30 - 8:00 p.m.

IMPORTANT EVENT INFORMATION

Please use Entrance H1 or H2 on the High School Campus

NOTE: Parents may not drop off students and leave.

Parents/Guardians are invited to join us for a FREE lecture

Topic: The Ins and Outs of Guardianship

Presenter: Stephanie Shreter, Esq.
Guardianship Assistance Program (GAP)

Ms. Shreter will discuss who, what, where, why and how to obtain guardianship to include the timelines, requirements and costs. This information is extremely important to parents who have students aging out and cannot advocate for themselves. The law states that students become their own guardians at age 18; what does that mean? Ms. Shreter will also discuss all the different types of guardianship that are available.

Students are invited to join us for Popcorn and a Movie:

While parents listen to our guest speaker, students can watch a movie in the High School Multi-Purpose room. BCSSSD will provide staff supervision of students. The movie will be a free event to students from the High School and Transition Program only. Refreshments will be provided.

Refreshments will be provided by the Burlington County Special Services Education Association PRIDE Program. We are proud of our great public schools!
