August 2019

Dear BCSSSD Families:

After a successful extended school year, the time to return to school is quick approaching. How time flies! In addition to the extended year, staff and administrators have been working diligently to ensure that when our children return to school, resources are in place to support teaching and learning. Staff and administrators have also been working diligently to build upon this year's number of successes. We have been excited for the positive press we have received this year and during the summer to support our innovations and customized responses to student needs. Please visit the webpage to see the 2018-2019 District Points of Pride as there are many.

We are excited to embrace the energy of our administrative team, changes at the Transition and Lumberton Campuses, and last, the upgrades to our programs and facilities to meet our growing student population. Furthermore, we are grateful to our Education Foundation for their numerous contributions and unwavering support of our mission and purpose. We are also looking to add a few more respites this year to the calendar.

We ensure that when our students return to school, resources are in place to support teaching and learning. Some of our focus has been on the preparation of class assignments and schedules, purchasing of supplies and materials, interviewing potential staff, cleaning of buildings, preparing bus routes, and reviewing and revising policies, procedures, curriculum, technology and security.

We continue to ramp up our presence on social media with the addition of a YouTube channel, and hope that you are seeing a real difference. Staff will be provided ongoing opportunities to submit best practice information and exciting projects that are taking place in classrooms and in respective buildings so that we can promote them on social media in a timely manner. We had a successful launch of the pilot program with RCBC that will allow eligible students to take college courses on the campus. We have also enhanced our work programs for our age 18-21 population.

---

The first day of school for students is **Wednesday, September 5, 2019; this will be an early dismissal for students.** Important information may be found on our district website, [www.burlicoschools.org](http://www.burlicoschools.org) including:

- The [District Calendar](#)
- The [BCSSSD Parent/Student Handbook](#)
- Information regarding [emergency school closings](#)
- Information regarding [student menus](#)
- [District Policies](#)
- Information regarding the [Anti-Bullying Bill of Rights Act](#) for students.

We wish everyone a pleasant remainder of the summer, and hope you join in our enthusiasm for another great year of learning. We continue to monitor our progress, given record interest in our programs. Through the ongoing support of the Burlington County Board of Chosen Freeholders and Board of Education, we look forward to pursuing our shared mission to meet each our student's unique needs and abilities.

Sincerely,

Dr. Christopher Nagy  
Superintendent of Schools
