August 6, 2019

Dear Parents/Guardians,

We are fortunate and pleased to serve students with exceptionalities at Burlington County Special Services School District. At times, servicing students with exceptionalities and/or staff members comprises the support of service animals to assist with an individual's learning and daily living.

At this time, we would like to inform you of the presence of a "working" certified service dog on the Westampton Campus for the 2019-2020 School Year.

Burlington County Special Services School District complies with N.J.S.A. 18A:46-13.2-13.3 and the Americans with Disabilities Act, as per District Policy 5337 - Service Animals.

With the presence of the service dog on campus, we are now inquiring of any allergies or fears your child may have. Please notify us in a timely manner so that we are able to provide appropriate accommodations for individuals with allergies or fears, as needed prior to the start of the school year.

We anticipate the service dog to benefit the individual's learning and independence, as well as become part of the school community. If you have any questions or concerns, please do not hesitate to contact the office of Child Study Team and Related Services.

Thank you for your support and we look forward to hearing from you if there is anything we need to know about your child as it pertains to the service dog on the BCSSSD Westampton Campus.

Best Regards,

*Jacqueline O'Brien*

Director of Child Study Team & Related Services
