Dear Parents and Guardians:

Our Graduation Ceremony on June 16th will also be available to view remotely. If a member of your family is unable to attend in person or your family exceeds the 6 ticketed spots available per graduate, please have them use the following link <https://youtu.be/xpL67B6pqqw>. The ceremony begins at 11:00 am.

Please reach out to your child's 12th grade teacher with any questions.

Thank you for your cooperation. We look forward to having you join us on this very special occasion.

Sincerely,

Anthony DeBonis, Ed. D.
