

COST

The Burlington County Alternative School at Lumberton is a public school district providing programs and services to the students of Burlington County and the region at no cost to the parents.

Our record of successful graduates who have accomplished great things in the world of work, and students who have returned to successful experiences in their local schools following a placement here, are indicative of the positive effect our programs offer. Our track record speaks for itself!

ADMISSION

Only those students whose educational needs cannot be met from programs in their local school district are eligible for admission to the Burlington County Alternative School at Lumberton. Application to Lumberton Campus can only be made by local district of residence. Districts seeking admission of a student to the Alternative School may submit a letter of application to the Admissions Office. All required application materials are listed on the application.
